Hi Steve,

Yes, it is for \$50,000. You scared me... I thought I might have typed an extra zero and made it \$500,000!

Hi Marilyn,

I've attached a new TDD for START for soil sampling in the Silverton/Animas area. We'd like to get the TDD in place next week so we can begin the planning in August. The TDD will be for a removal assessment, but the funding will come from the remedial program.

Please let me know if you have any questions. Thanks!
